The screenshot shows a Kali Linux desktop environment with two terminal windows open. The desktop background features the Kali Linux logo with the tagline "the quieter you become, the more you are able to hear".

The top terminal window displays the following subdomains:

```
File Edit Format View Help
Mariam.Eleeb - 7001053
subdomains - 485 using sublist3r cont12.
```

The bottom terminal window displays the following subdomains:

```
File Edit Format View Help

```

In the center of the desktop, there is a large watermark-like graphic of the word "KALI" stacked vertically above "LINUX" with the same tagline below it.
